## 2018 Wapsie Ridge Informational Letter

Hi to all 2017 Wapsie Ridge members, past members, potential new members, and public patrons! 2017 marked our 23<sup>rd</sup> full season of golf and we appreciate your continuing patronage. Annie and I were unable to get out of Iowa this winter, so we've been freezing along with many of you. With a warm, dry 2017 Fall and some golfers into Dec, seems this could be one of our shorter off-seasons. Dan wrapped up 2017 maintenance well into December.

- ① **Clubhouse & Course Workers:** We need 1 new clubhouse and 1 new course worker for the 2018 season. If you are interested or may know anyone interested in working the clubhouse or course, please contact Dan ([danniebuhr@gmail.com](mailto:danniebuhr@gmail.com)) or cell 319-269-3672. People capable of working the entire season (mid/late March to October) will be given preference, but part time potential workers will also be considered. I have basic job descriptions on file to supply you and they are also on our website.
- ① **Cart Shed Storage Renters:** If you no longer need your personal power cart stall in 2018, please let us know by March 1. At the end of 2017, we had 3 or 4 open stalls available on a first come/first served basis. There are a few people who still have carts in the sheds, but we haven't heard from for a year or more and may not be up to date on payments. Please get up to date on your storage AND cart usage fees ASAP. As long as we have open stalls it will be ok for non-members to store their cart. Should the sheds become full, members will have cart shed storage priority over non-members.

Historically the course has been open for play in mid-March, pending weather and course conditions. We'll use [Facebook](#), email, [website updates](#) and our answering machine message to keep you posted on opening date, playing conditions, etc. If you have an email address and would like to begin receiving information electronically, drop us a note at [wapridge@netins.net](mailto:wapridge@netins.net). Also keep us updated if your email address has changed within the last year or so.

***Come see us in the country for your golfing & living experience.....***

Please attend any of the following organizational meetings you may be interested in:

**2018 Organizational Meetings at Wapsie Ridge Clubhouse**

Men's Monday Night League: Monday, April 9<sup>th</sup>, 2018 @ 7:00 pm

Tuesday Morning League: Tuesday, April 10<sup>th</sup>, 2018 @ 9:00 am

Women's Tuesday League: Tuesday, May 15<sup>th</sup>, 2018 @ 7:00 pm

Our online [Calendar of Events: http://www.wapsieridgecountrygolf.com/calendar.html](http://www.wapsieridgecountrygolf.com/calendar.html) is normally up to date, but does change from day to day. Paper copies of the calendar are NOT published since it changes so often, so please contact us and monitor the events information board in the clubhouse or on our website at [www.wapsieridgecountrygolf.com](http://www.wapsieridgecountrygolf.com). If you wish to book anything, please email us at [wapridge@netins.net](mailto:wapridge@netins.net) or if you call the clubhouse (319-638-4653) prior to clubhouse opening sometime in March, you may leave a message and we'll get back to you as soon as we check phone messages (Clubhouse is NOT staffed over winter).

Please use the attached 2018 Rates for Wapsie Ridge Golf Course and the 2018 Wapsie Ridge Member Fees Worksheet to calculate your fees and include the worksheet when you mail in your fees. Remember to include any phone #'s, email addresses, etc. Please pay your fees by March 1 as cash flow is Greatly needed to begin funding high Spring startup costs. The 1<sup>st</sup> 20 paid 2018 memberships will receive a \$25 gift certificate. If you plan to lease a Wapsie Ridge power cart in 2018, simply circle the months you plan to lease for our planning purposes. This does not commit you to a cart lease, nor are you required to send any cart lease fees. Don't forget your Personal Cart Usage Fee of \$50 per year if you store or use a power cart at Wapsie Ridge. If you "share" your cart with anyone not under your membership, that person must also pay a \$50 per year cart usage fee.

We look forward to seeing you this Spring at Wapsie Ridge and hope that the 2018 golf season is fun and successful for all of us .....

*Thanks, Dan & Anne Niebuhr (owners)*
